29	Home	Para Casa	Here, I could use two options: "Para Casa"	TR confirmed

38	Vault	Vault	Here, I had to check the context in the website, to better understand what was the Vault section. After review, I concluded it would be a better idea to keep the original term, since its pure translation ("cofre") wouldn't give any clue that this is a kind of blog-style section for upcoming events, brand collaborations etc.	TR confirmed

53	[1]Comfy Cuddler Plush{2}	[1]Pelúcias Comfy Cuddler{2}	"Comfy Cuddler" is the name of a specific line/collection (like "Sitting Cuties").
